

SAMPLE SAFETY TRAINING CERTIFICATION

Trainee certification. I have received on-the-job training from the trainer listed below on:

- [list procedure(s)] _____
- [list practice(s)] _____
- [related policies, rules, accountabilities] _____

Training provided me adequate opportunity to demonstrate these procedures/practices to determine and correct deficiencies. I understand that performing these procedures/practices safely is a condition of employment and I fully intend to comply with all safety and operational requirements discussed. I understand that failure to comply with these requirements may result in progressive discipline up to and including termination.

(Trainee) _____
(Date)

Trainer certification. I conducted on-the-job training on the subjects for the trainee(s) listed above. I explained procedures/practices and policies, answered all questions, observed demonstrations, and tested each trainee individually. I have determined that the trainee(s) listed above has/have adequate knowledge and skills to safely perform the procedures/practices.
